AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT

This responds to the Office action dated October 07, 2002, concerning the application referenced above. Please amend the application as follows.

In the Claims:

Please cancel claims 1-9 and 17 without prejudice or disclaimer.

REMARKS

The Office action requires applicants to restrict the present application to what the Patent Office contends is one independent and distinct invention. Applicants elect claims 10-16 (for a chip package where conduction line has one end connected to a bonding finger) for prosecution in the present application. The election is made without traverse.

Applicant has canceled claims 1-9 and 17 without prejudice or disclaimer, but retains the right to reintroduce any subject matter canceled by the present Amendment at any time during the prosecution of this application or any further application claiming benefit of this application.

The present application is in condition for allowance and such action is requested.

Respectfully submitted,
